

Angle Grinder

G13SC2 125mm (5")

An impressive 125mm grinder. High-powered 1200w heat resistant motor and low profile gear casing to allow access into tight confines.

A 3-position side handle allows for left or right handed operation, and side-on operation when cutting vertically.

An extremely comfortable two-handed grinder with dead-man switch.

Super lightweight at only 2.8kg.
